

PA- Supplemental Guidance

PLT-04 **Forest stand improvement, prescribed burning** – A new state law, Prescribed Burning Practices Act (signed July 14, 2009), accommodates Prescribed Burning.

A burn plan must be prepared and submitted to DCNR, Bureau of Forestry and DEP. A certified burn plan writer must prepare the plan. Contact Jana Malot, 717-237-2247 for a list of certified burn plan writers and the most current burn plan information.

**Can progressively apply this activity.

Forestland – System/acre
No compatibility restrictions.
